

**Sri K. HANUMANTHAIYA.**—If it makes for expeditious and smooth work, I will certainly do so.

**Sri R. ANANTARAMAN.**—With reference to clause (d), it is said that the Corporation has asked for certain loans. Are the Government aware that most of the slum areas are inhabited by Harijans and is it not necessary that Government should grant loans to remove these slums?

**Sri K. HANUMANTHAIYA.**—The question of granting loans depends upon the availability of funds at the disposal of Government.

**Mr. SPEAKER.**—This is about grants. You can put questions relating to grants.

**Sri R. ANANTARAMAN.**—Regarding the acquisition of these slums, is it not better that a portion of the grants is made available to the Corporation to acquire the lands?

**Sri K. HANUMANTHAIYA.**—I have already answered that question.

**Sri V. M. MASCARENHAS.**—Are the Government aware that the Commissioner is not distributing the amounts equally to the depressed classes in the Civil and City areas?

**Sri K. HANUMANTHAIYA.**—I do not know what is meant by the word 'equally'. Wherever there is need, I suppose, the Commissioner makes the necessary grants. It may not be possible to make grants on the basis of 'equality' spread all over the area.

**Sri V. M. MASCARENHAS.**—What I wish to point out is that invidious distinction is made between City Area and Civil Area. Will that be redressed?

**Sri K. HANUMANTHAIYA.**—I am not aware of such distinction.

**Sri V. M. MASCARENHAS.**—I will bring it next time.

**Sri R. CHENNIGARAMIAH.**—In answer to (c), the Hon'ble Chief Minister has said that 93 houses are constructed this year. Is the Hon'ble Chief Minister definite that 93 houses are constructed during this year 1953-54 or is it ever since the scheme was started?

**Mr. SPEAKER.**—The question refers to this year.

**Sri K. HANUMANTHAIYA.**—Since the question is in that form, the information is supplied to me in that form. So, I take it that it is for this year.
